

CANCER CONNECTIONS

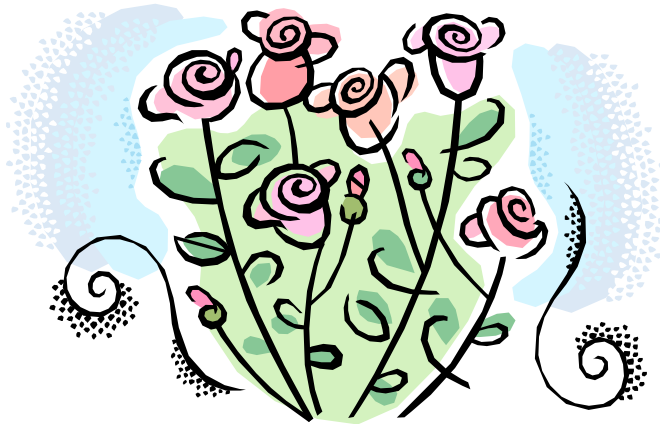

WHERE: HealthStreet, 2401 (old) SW Archer Road, Gainesville

WHEN: Wednesday July 26th, 12-1 p.m.

SPEAKERS: Dr. Julia Close

TOPIC: The latest in Lung Cancer treatments

Please RSVP: to Barb Thomas: bnbbarb@aol.com

Cancer Connections is all about bringing together in one place a diverse group of area cancer care professionals and interested lay people, including nurses, social workers, researchers, physicians, therapists, support group facilitators, ACS volunteers and cancer survivors.

Anyone who is involved in the care or treatment of cancer patients/survivors/caregivers, or who provides a service to them, as well as interested patients/survivors/caregivers, is welcome to join us for networking opportunities.

We normally meet on the fourth Wednesday of each month at the HealthStreet building from noon-1pm, and feature speakers representing one of the services provided to area cancer patients. Lunch is provided (for a \$ 4.00 donation), but we need your RSVP by the preceding Monday.

Please email Barb for directions/shuttle information. We hope you can join us!
